Making it work

- SCIENCE
- PEOPLE
- POLITICS and
- ORGANISATIONS

the **moray** council

SCIENCE

- Patchy information
- Format
- Interpretations
- “available, readily derivable, and reliable information”
- Soft or hard Solutions?

the **moray** council

PEOPLE

- Our Language: -
- Flood Prevention
- Flood Alleviation
- Flood Management
- Want Protection
- We have to explain clearly what we can and can't do
- Also to explain how long this is going to take

the **moray** council

POLITICS

- National - requirement that we work together!
- Local - catchment based.
- More than one authority
- Priorities to be decided
- More than one organisation
- Service Plans adapted
- Links with other relevant Authorities

the **moray** council

ORGANISATIONS

- Our own legislation and responsibilities
- Our own priorities
- Our own budget
- Our own regulators
- Our own financial year
- Our own systems
- Our own ethos
- A National effort.
- How many Authorities have identified Flood Management as THEIR priority?
- How will SEPA, SNH and SW respond?
- **NO STAGNATION!**
